## Provides:

This API provides...

More than a million free photos, vector graphics, and illustrations that can be searched up with a simple set of keywords.

## Key Provisioning:

**Pain factor** (*0=easy...5=nightmare*): 

- An account is necessary to get a key

## Quotas:

- 5000 calls/day

---

## The Good:

- Many different ways to get an image returned
- Allows videos as well
- Has AN example
- Intuitive

## The Bad:

- Example uses JQuery

## The Ugly:

- API documentation isn't the best, but isn't terrible either.
